and
11th International Long-Term Ecological Research - East Asia-Pacific Regional Network Regional
Conference (2016 ILTER-EAP)

**Ecological insights and environmental protection for sustainable development
under climate changes in East-Asia and Pacific regions**

October 26 - 29, 2016 - Ho Chi Minh City, Vietnam

CALL FOR PAPERS

Objectives of the Conference:

The ICENR 2016 and 2016 ILTER-EAP “**Ecological insights and environmental protection for sustainable development under climate changes in East-Asia and Pacific regions**” Conference aims to:

- Create a platform for the scientists in- and outside ILTER – EAP to present their research progresses, findings and innovative ideas
- Provide a forum for the exchange of views, dissemination of ideas and the development of possible future collaborations between the local and international scientists
- Promote the research related to ecology and environmental protection in East Asia-Pacific region and in Vietnam particularly.

Topics of the Conference

1. Urban ecology and environmental conservation/protection;
2. Biodiversity and ecosystem services;
3. Ecosystem functions under climate change;
4. Navigating ecological research to societal systems;
5. Environmental/ecological issues/challenges/technologies in Vietnam
6. Interdisciplinary and transdisciplinary approach for ecological-sociological systems (TSUNAGARI project by Belmont Forum)
7. Integrated Water Resources Management and Ecohydrology

8. Green growth and environmental conservation under climate change
9. Climate change: impact and adaptation
10. Other related topics

Training workshop topics:

1. Eco-hydrological Modelling with SWAT (Soil Water Assessment Tool) (Prof. Dr. Nguyen Kim Loi, Dr. Nguyen Hong Quan)
2. Ecological data processing (Prof. Chau Chin LIN, Taiwan)
3. Biodiversity data management – Managing and visualizing camera trap image collections (In discussion with - Dr. IlyaZaslavsky, Spatial Information Systems Lab, San Diego Supercomputer Center, University of California San Diego, United State of America)

Organizers: International Long-Term Ecological Research - East Asia-Pacific Regional Network, Vietnam National University – Ho Chi Minh City (VNU-HCM)

Host: Institute for Environment and Resources (IER, Vietnam), Nong Lam University

Main activities: Oral presentation – Poster presentation – Training workshop – Field visit

Tentative Programme

- Training workshop (1 day)
- Main conference (2 days)
- Field visit (1 day)
- Coordinate Committee meeting (half – day or 1 day)
